	Catharin	Sultan Wareina

General Information (see terms)

Chilled £ 725 (stud fee) **Frozen £ 725**

Johnson is a son of the keur stallion Jazz. Jazz performed at grand prix level with his rider Tineke Bartels. Grandsire, Olympic Cocktail also performed at the highest possible level and achieved numerous victories and high placings in grand prix and kur to music. Grandsire, Flemmingh, is famous for producing the grand prix dressage horses, Krack C with Anky van Grunsven and Ligh with Edward Gal. Great grandsire Sultan is not only the sire of the oldenburger approved stallion Sion, but also of the worldfamous jumper It's Otto from Geoff Billington. Johnson descends from the famous 'Reina' line; the renowned mare line from breeder Wim van Arkel.

Famous horses from this motherline are: Darkdream, Sultan, Kallisto, Mendel, Charmeur and Waldo. Johnson is a rising star. His very interesting dressage pedigree combined with a perfect dressage model will make him a super horse for all the dressage experts. Johnson has three excellent gaits. Fundamental for this stallion are his easygoing character and willingness to work under saddle. Johnson was the overall champion of the KWPN stallionshow in 2005 and he did very well in both the performance test at Oldenburg and at Ermelo. His foals are long lined and correct.
