	Cleopatra	World Cup I
Weltlady	Weltmeyer	Anka Donnerwetter Ninette
		Weingau
	Weinlady	

General Information

Chilled £ 950 (stud fee) Frozen £ n/a

In 2004 this exceptional son of Lord Sinclair won the silver medal at the World Young Dressage Horse Championships in Verden. In the 5-year old Dressage Horse division at the 2004 Bundeschampionate in Warendorf, Germany, the Champion's title went undisputedly to Lord Loxley.

At the Bundeschampionate no other horse in Lord Loxley's division came close to his power, suppleness and ground coverage. Lord Loxley danced to victory after a virtually immaculate ride with great transitions and balance in every gait, for which they received a brilliant 9.5 score. "This was top class. He's a world class horse," judge Christoph Hess commented, "he has a spectacular trot with a very good hind leg that stay closed. He keeps the nose nicely in front and is right on the vertical. His walk is through the back, his canter is excellent, uphill and forward."

His sire, Lord Sinclair has already produced over twenty approved sons, amongst them a champion stallion and several premium stallions. He sired the most expensive young stallion at the KWPN Select Sale in Holland "Sir Sinclair", who was sold for € 380.000,00.

Lord Sinclair's progeny have met the high expectations. Exceptional movement is their significant feature. They are often in the top placings at foal shows and championships and have achieved top prices at many different auctions. Lord Sinclair's daughters have been equally as successful. In 2003, his daughter "Prima Ballerina" was the best dressage mare at the National Stud Neustadt/Dosse.

Lord Loxley now has 10 approved sons and a mare by him won the Bundeschampionat in 2007, with one of his sons getting 3rd place.
