Loretta	Lassie	<b>Welt As</b> Lucie

## General Information (per dose)

**Chilled £ 1,950** (stud fee)    **Frozen £ 1160**

Sandro Hit is a hugely popular, unique performance stallion whose progeny are breaking all price records, winning championships and becoming approval champions. Sandro Hit is a strikingly beautiful horse, a brilliant type with fabulous movement and a sheer black gene.

His success in breeding is no coincidence. His sire Sandro Song was Oldenburg Champion Young Stallion and Main Premium Stallion. His dam's sire Ramino was Stallion Performance Test Champion and later on five times Italian Champion. Welt As from his third generation is one of the most influential stallions in recent years, siring amongst others, Olympic gold medallist Bonfire.

Sandro Hit's dam, elite mare Loretta produced the reigning Reserve World Champion and Reserve National Young Horse Champion Diamond Hit, and the elegant 1c premium stallion Royal Hit. Sandro Hit was Young Horse National Champion and Young Horse World Champion. He won the "Best Young Stallion 2000" title. Sandro Hit not only has the highest index of 153 in the whole of Germany for his descendant's performance, but the highest security rate of 88%.

He has sired the top priced horses and top priced foals at virtually all auctions around Europe. Ahead of them all is his daughter Poetin, twice Young Horse National Champion and Young Horse World Champion, who sold for a record €2.5 million. For years he has been producing national champions, silver and bronze medallists and many finalists in running succession. Sandro Hit had ten licensed sons from his first foal crop alone. By the time he was nine, Sandro Hit had already sired two Federal Champions and two Reserve Federal Champions.

Sandro Hit is an athletic and beautiful stallion possessing the true uphill conformation required for top level competition.
